**RE: MOU DATA/SUMMARY OF NECA TOTAL POOL RESULTS
WC Docket No. 19-253**

Dear Ms. Dortch:

Attached are historic interstate minutes of use (MOU) for four quarters of 2020 and five years of annual data. The report displays company reported MOUs for non-NECA Common Line and non-NECA Traffic Sensitive tariff participants and derived MOUs for carriers participating in NECA's Common Line or Traffic Sensitive Pool for years 2016 - 2020. The data is based on the latest totals submitted and the last quarterly distribution available. NECA checks the data and informs companies of any inconsistencies with previously reported numbers.

If there are any questions, please do not hesitate to call Stela Stefanova on (973) 884-8232.

Sincerely,

A handwritten signature in blue ink that reads "Syerdon". The signature is written in a cursive, flowing style.

Suzanne Yerdon
